

When You Shop Chamber, You Invest in Arlington!

ShopChamber is designed to encourage member-to-member business, referrals, and support for Arlington businesses. When we “shop” our local community, and specifically Chamber members, we directly promote and stimulate a strong and vibrant local economy.

ShopChamber goes beyond retail merchants to include all member businesses and organizations. Whether you’re planning an event, buying or remodeling a home, renting and furnishing an office, seeking tax or legal advice, going out to dinner or shopping, our members offer excellent

products and services for all your professional and personal needs.

Each month we will feature Chamber members within a particular industry. The Chamber will share and promote all members’ involvement on our website (www.arlingtonchamber.org), in our weekly electronic newsletter, in our monthly print publication (*The Arlingtonian*), on the Chamber Blog, and via our social networks using the hashtag

#ShopARL.
